

Dear **Partners**,

We hope you are well during this difficult time!

Firstly, we would like to say a **BIG** thank you for your support over the past few weeks. It has been so important for us.

Then we would like to give you a short update on some **VERY GOOD NEWS** from Italy, Emilia Romagna Region and **Bologna**.

As of Monday 18th Italians are again **able to do much of what they hold sacred**: shops, hairdressers bar and restaurants are allowed to re-open after a 10-week lockdown !!!

That means those seeking a **morning coffee** will again be allowed to enjoy it standing up (safely distanced from other customers) at a bar ☺

All is slowly becoming right with the world.

Unlimited travel is now permitted within individual regions, and pals can meet in restaurants, so long as table are two metres apart.

While we are all keeping well and doing our best to continue teaching our students online, finally, **we are working to re-open the school for face-to-face classes** in line with

government recommendations.

The Regional council has just outlined their final rules in order

Officially **we can re-open the campus since Monday 25th in BOLOGNA**

Anyway **ALCE has decided to follow a stricter health and safety measure** in order to reduce the risk to students and teachers.

We will re-commence face to face classes

ON JUNE 1st

That will be also the date of **BOARDERS opening**, at least for EU students, with no restrictions, quarantine or any other limitation.

Thank you in advance for your patience and understanding. A **BIG VIRTUAL HUG** from **Bologna**
